

Health & Safety Standards

CLEANING AND HYGIENE

ENHANCED CLEANING

The Atlanta Shoe Market in conjunction with the Cobb Galleria Centre and other partners, will provide enhanced deep cleaning before, during and after our show, to ensure the highest standards of hygiene and cleanliness. This includes continuous sanitization throughout the course of the show, with a focus on high-touch areas such as door handles, restrooms and food and beverage areas.

PERSONAL HYGIENE

There will be hand sanitizing stations throughout the event space, encouraging all attendees to regularly wash and disinfect their hands.

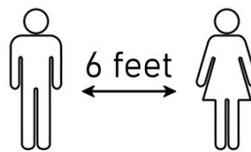

PHYSICAL DISTANCING

PHYSICAL CONTACT

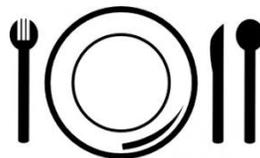

The Atlanta Shoe Market requests that all attendees avoid physical contact, such as handshakes and embraces, promoting alternative ways to greet business partners. The exchange of printed materials, such as business cards and sales brochures, will also be discouraged, with digital alternatives recommended.

PHYSICAL DISTANCING

A minimum of 6' distance between other people will be implemented. This will be managed through one or more control measures such as pre-show communications to attendees, on-site signage and floor markings and on-site social distance ambassadors.

FOOD AND BEVERAGE STATIONS

The Cobb Galleria event teams will work diligently to provide the highest standard of food safety, minimizing self-service buffets in favor of pre-packaged food options.

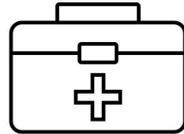

PROTECTION & SCREENING

FACE MASKS

Attendees will be asked to wear a face mask at all times. This will be strictly enforced.

FIRST AID

All attendees will have access to first aid and a separate quarantine area if needed. Attendees will be asked not to attend if they are not feeling well. Management will follow local health authority guidance on detecting and managing anyone who displays symptoms of COVID-19.

SCREENING

The Atlanta Shoe Market will follow relevant health authority guidance on screening participants. This will include checking the temperatures of everyone on entry, through thermal scanning. A different colored wrist band will be provided daily signifying your temperature was checked. This will be strictly enforced and monitored.
